Maduro Ltd

GLOBAL EXPERTISE

Our aim is to bring you the most reliable
highest quality and affordable timepieces.

Maduro Ltd is an experienced supplier in the watch industry for retail and promotion markets, which was established in Hong Kong since 2007.

Our headquarters is located in Hong Kong with multitude of facilities including sales & marketing, shipping and logistics and account. We have a showroom showing our whole collection including the latest models and we welcome our customers to visit any time.

Our China support team is located in Shenzhen China, with capacity of producing over 100,000 pieces each month. It involves the purchasing, research and development, product design and quality assurance.

All key members of the team are having more than 10-year experience in the industry. Our Hong Kong sales team is well acquainted with the market trend and guarantee our instant answer. We familiar with export regulations and product compliance like ROHS, REACH & BSCI. Our professional and hardworking China team is expertise in components sourcing, manufacturing techniques and having creative mind. We have a strong network of quality and reliable factory partners. The proximity of our China team with our component suppliers allows us a constant quality and time control while maintaining competitive costs.

UPCLOSE & PERSONAL

OUR SKILLFUL & PROFESSIONAL TEAM IS DEDICATED TO SATISFY ALL YOUR INDIVIDUAL NEEDS FOR VARIOUS MARKETS.

Over 10 years we have a rapid growth. We are specialists in OEM watches as well as project-based businesses. We are honest and determined to strive for perfection. In all times, we look for building long term partnership with customers. We will keep our continuous hard working in all areas to maintain our services always above the standard.

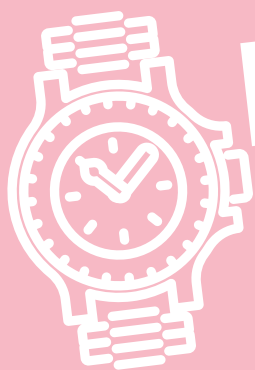

PEACE OF MIND

The ultimate quality certification. A guarantee of provenance, know-how, resilience and accuracy

Maduro Adheres to strictly quality control guidelines and requires that each unit undergo testing procedure before delivery.

Our quality control is processed by our in-house checking team and our outgoing on-site checking team. The in-house team is responsible for checking all in-coming components before released to production line, plus the QA control during assembling. The outgoing checking team is sending out to our component suppliers or partner factories for on-site in-line spot quality check before their delivery. Over 10 years, Maduro proved that the most important indicator of success is customer satisfaction. To ensure our customer always satisfy with the final product, we have regular internal meeting on quality improvements. Besides, our team members attend trainings and seminars to learn and keep themselves up-to-date technique and information about quality assurance.
